Dear Mr. Olesen,

Thank you for the opportunity to apply for a Software Engineer - Front End role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a quality-oriented professional who has been consistently praised as adaptable by my co-workers and management. Over the course of my 2-year career, I have developed a skill set directly relevant to the Software Engineer - Front End role you are hiring for, including application development, web design, and programming. Overall I have consistently demonstrated leadership, communication and research abilities in every aspect of my application developer role at IBM, and I invite you to review my detailed achievements in the attached resume.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at (968) 639-5365 or via email at [praveen017b@gmail.com](mailto:praveen017b@gmail.com) to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

**Praveena B**
